## *Mentoring Opportunities*

***Enriching, encouraging, and empowering children to reach their highest potential through safe, positive mentoring relationships.***

As a Big Brother or Big Sister, you will **spend time on evenings and weekends** with your Little at least **twice a month for four hours a month** just having fun and making memories. Whether you share a meal, attend a ballgame, hangout at a park or wash the car, you are creating memories, building a relationship and investing in a young life. You both will be forever changed by the experience!
